Family Zoo Memberships allow up to 4 children in your household or grandchildren on each visit. If you have more than 4 children or grandchildren between the ages of 3-17 AND more than four of them are likely to visit the zoo with you at one time, we recommend the Family Plus One or the Family Plus Two memberships. These memberships allow you to bring an additional one or two guests at each visit. Or you may simply purchase additional tickets at the gate on those visits where you bring more than four children or grandchildren.

How many children or grandchildren are included in this membership?
